RESPONSE TO NOTICE TO COMPLY WITH SEQUENCE REQUIREMENTS

Box PCT
Commissioner for Patents
Washington DC, 20231
Sir:

This paper is in response to the Notice to Comply with Sequence Requirements dated February 1, 2002. The Notice stated that the computer readable form that was filed with the application was unreadable.

Applicants therefore enclose another computer readable form of the Sequence Listing. The content of the paper copy that was filed with the application and of the enclosed computer readable form is the same. This submission contains no new matter.

The Examiner is hereby invited to contact the undersigned by telephone if there are any questions concerning this amendment or application.

Respectfully submitted,

Date: March 21, 2002
